Flash Rovers Programme 2018 Jan-March

Published: 18/12/2017

Flash Den: 11 Egmont Tce. Hawthorn

There are plenty of activities coming up but we always love new ideas! Let us know if there's something you would like to do.

A few things you can do to ensure you have the best time possible in Rovers:

1. Make sure you are signed up to the Flash mailing list (you are automatically added to the SA Rover mailing list when registered), and join the Flash and SA Rovers Facebook groups. Most information is distributed through these mailing lists and Facebook groups so you need to be on them to receive the information.
2. Check the program regularly and read all the details.
3. Check your email and the Facebook groups for the fine details as sometimes details such as start/end time will be released later, so keep checking.
4. RSVP to the organiser of each activity, even if you cannot attend. If you let them know it will save them having to chase you up and it can be quick as an SMS or one-line email, even a quick inbox message on Facebook!
5. See if there is something on the program that you could help with. It could be anything from co-ordinating the decorations for an event to organising an activity and it's all important in keeping Flash Rover Crew such an active Crew, every single bit is appreciated.
6. Is there something that you would like to do that isn't on the program? Let us know and make sure you tell us what you would like to do. Come along to the programming nights to make sure it is put on the programme!

What you do and how much fun you have in Rovers is up to you, Rovers is what you make it.
